FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and applicable rules of the Texas Department of Insurance, Division of Workers' Compensation.

Background

1. 28 Texas Administrative Code §133.307 sets out the procedures for resolving medical fee disputes.
2. 28 Texas Administrative Code §134.250 sets out the fee guidelines for examinations to determine maximum medical improvement and impairment rating performed on or after September 1, 2016.

3. The insurance carrier reduced payment for the disputed services with the following claim adjustment codes:
- P12 – Workers’ compensation jurisdictional fee schedule adjustment. PPO not utilized per agreement.
 - 193 – Original payment decision is being maintained. Upon review, it was determined that this claim was processed properly.

Issues

Is Steven Anderson, D.C. entitled to additional reimbursement for the disputed services?

Findings

Dr. Anderson is seeking an additional reimbursement of \$150.00 for a designated doctor examination to determine maximum medical improvement and impairment rating performed on October 12, 2016.

Per 28 Texas Administrative Code §134.250(3), “The following applies for billing and reimbursement of an MMI evaluation... (C) An examining doctor, other than the treating doctor, shall bill using CPT Code 99456. Reimbursement shall be \$350.” The submitted documentation supports that Dr. Anderson performed an evaluation of maximum medical improvement. Therefore, the maximum allowable reimbursement (MAR) for this examination is \$350.00.

Per 28 Texas Administrative Code §134.250(4), “The following applies for billing and reimbursement of an IR evaluation. ... (C)(ii) The MAR for musculoskeletal body areas shall be as follows. ... (II) If full physical evaluation, with range of motion, is **performed** [emphasis added]: (-a-) \$300 for the first musculoskeletal body area.” The submitted documentation supports that Dr. Anderson provided an impairment rating, which included a musculoskeletal body part, and performed a full physical evaluation with range of motion of the lumbar spine. Therefore, the MAR for this examination is \$300.00.

The total allowable for the disputed services is \$650.00. Bridgefield Casualty Insurance reimbursed \$500.00. An additional \$150.00 is recommended.

Conclusion

For the reasons stated above, the Division finds that the requestor has established that additional reimbursement is due. As a result, the amount ordered is \$150.00.

ORDER

Based on the submitted information, pursuant to Texas Labor Code Section 413.031 and 413.019 (if applicable), the division has determined the requestor is entitled to additional reimbursement for the disputed services. The division hereby ORDERS the respondent to remit to the requestor \$150.00, plus applicable accrued interest per 28 Texas Administrative Code §134.130, due within 30 days of receipt of this order.
